Who.. are you?!

Don't you already know that? I'm your son, Rathgar.

Ah..I really, your son though? Looking through his memories, you've been pretty cold and mean to him

You clearly had some thing to do with him having become so timid

This.. cannot be happening! The spell wasn't about possession!

Possession? No. no.

I am your son.

I am the dark side of Rathgar who hates you.

It will be no fun killing you right now.

Spend some time here and think about your life.

W-where are you going?!

I'm going out to do what he has wanted to do for a long time.

A customer?

Have you come here.. to exact revenge on your servant?

Revenge? For what? Of course not

I just Feel that

You should be punished for speaking rudely at a noble.

Not to mention you attempted to harm me..
